

VILLAGE OF MELROSE SEWER RATE INCREASE

Beginning January 1, 2016 Village of Melrose base sewer and per gallon usage fees will increase by 12.5% respectively to offset costs associated with new Wisconsin Department of Natural Resources mandated phosphorous reduction requirements. Base fees for the standard 5/8 inch meter, most commonly found in Village residences, will rise from the current \$13.54 per month to \$15.23 per month. Per gallon usage charges will rise from \$.004 per gallon to \$.0045 per gallon. As an example, the sewer bill for a standard household using 1,000 gallons of water in a month would pay \$19.73 per month in 2016 vice \$17.54 in 2015. Base fees and per gallon charges for 1 inch, 1.5 inch, and 2 inch meters found in some businesses, parks and the school will also increase by 12.5% each month. If you have additional questions, contact the Village Clerk at 608-488-3191.
