

Property Tax Statements
Dec 06, 2012

The Village Clerk/Treasurer anticipates having property tax statements in the mail by Monday, December 10th. Once received, you may pay your taxes at the Village Hall with cash, checks or money orders. Please have exact amounts...refund checks for overpayment can not be issued until an entire batch is processed and sent to the County Treasurer. If taxes are escrowed, statements will be sent directly to financial institutions. If you'd like a copy for your personal records, contact the Village Clerk.
