

VILLAGE OF MELROSE BASE SEWER FEE INCREASE

Beginning January 1, 2015 Village of Melrose base sewer fees will increase by \$4.00 per account per month to offset costs associated with new Wisconsin Department of Natural Resources mandated phosphorous reduction requirements. Base fees for the standard 5/8 inch meter most commonly found in Village residences will rise from the current \$9.54 per month to \$13.54 per month. Base fees for 1 inch, 1.5 inch, and 2 inch meters found in some businesses, parks and the school will also increase by \$4.00 per account each month. Per gallon usage rates will remain unchanged. If you have additional questions, contact the Village Clerk at 608-488-3191.
