

Melrose Park & Pool News 2015

The Parks & Recreation Department is planning some summer field trips for anyone interested (kids and adults). Sign up sheets will be at the Melrose Pool for interested parties. If there is not enough interested, or the weather is inclement, trips will be canceled. If we are able to fill up a bus then the trip will be less expensive per person.

I have tentative dates set up and the cost will be for the following expenses; bus driver, fuel, and administration fees, plus the cost per person of whatever it is we are doing.

Adult Sand Volleyball League this summer. Head coaches should get a team of six players together (co-ed three guys and three girls and a few subs) and then contact Sandy with your team name and members at 488-3000. If I get enough interest, I will work out a summer schedule. We will play Sunday nights at the Rec Park starting at 6PM.
