Dear Parents:

This summer, as in previous summers, we will be offering the Summer Swimming Program. The program will be conducted at the Melrose pool facility. The program will begin on June 17 and run through August 16. All children enrolled in Kindergarten for the 2018- 2019 school years through 12th grade are eligible for the program.

There will be four (4) two-week sessions:

- Session 1 – June 17 – June 28
- Session 2 – July 8 – July 19
- Session 3 – July 22 – August 2
- Session 4 – August 5 – August 16

Your child will be enrolled in one of these four sessions which consists of one (1) hour of lessons and one (1) hour of free swim per day for a two (2) week period. All students in the Mindoro area will be bussed to Melrose. GEO class beginning and ending times have been adjusted to coincide with swimming lesson times. Please indicate on Summer Swimming Registration form if your child will be enrolled in summer GEO or remedial summer school. There are no lessons the holiday week of July 4 (July 1-5).

Free breakfast and lunch is available at the United Campus elementary school cafeteria during Sessions 1 and 4.

Because of the difficulty with scheduling every year, I cannot give you a choice of sessions. If you know for sure of any conflicts, please indicate them on the registration form. I will try to be flexible with the schedule.

If your child is new to the program this year, they will be tested the first day of their lesson to determine swimming ability and level. If they have been in lessons in the past, their level is on file at the pool, and they will be placed accordingly.

LEARN TO SWIM COURSE CLASSES
